

Expectations for Older Adults

You should expect to be listened to, valued, and respected.

You should expect knowledgeable & compassionate health care.

*You should expect to be given medications
that will only make you feel better, not worse.*

You should expect never to be abandoned or forgotten.

You should expect not to live a life of loneliness or depression.

You should expect to live life as pain-free as possible.

You should expect never to be the object of prejudice or abuse.

You should expect to get the help you need to live life to the fullest.

*You should expect to live up to your potential
and have hope for the future.*

Lastly,

*You should expect never to be taken advantage of
except for your talents, knowledge and wisdom.*
